Join young attorneys from the ABA Antitrust Section for a discussion about exciting new career opportunities in consumer protection, privacy, and advertising law. This program will provide summer associates, summer interns, and interested law students with the opportunity to dialogue with young attorneys about pathways into these burgeoning areas of the law. The discussion will conclude with an opportunity to ask questions about what led the speakers to practice consumer protection, privacy, and advertising law and any other topics of interest. Immediately following the program there will be a networking happy hour open to all members of the Washington, D.C. advertising, consumer protection, and privacy bar. This program will be held live at Venable LLP in Washington, D.C. Please register by clicking the link below. Persons with questions or who wish to attend live should RSVP to John Terrell, at jaterrell@venable.com.
